### WILD ANIMALS

The trip to the safari park was amazing. When we entered, the first animal we saw was a (1) \_\_\_ with a mane, often called the king of the jungle. Then, near the river, we noticed a (2) \_\_\_ swimming quickly – it had very sharp teeth.

In the distance, there was a tall (3) \_\_\_ eating leaves from a tree. Suddenly, our guide pointed to a (4) \_\_\_ with black and white stripes running across the field.

When we reached the forest area, we spotted a (5) \_\_\_ hanging upside down from a tree branch. Next to it, on the ground, a (6) \_\_\_ was slowly moving, carrying its shell.

Farther on, we saw a (7) \_\_\_ with a long trunk, and nearby, a (8) \_\_\_ with huge antlers was looking at us.

Before we left, we passed the desert zone, where a (9) \_\_\_ with a hump on its back was resting. Just before the exit, we saw a (10) \_\_\_ with black fur happily chewing bamboo.
